To whom it may be concerned,

REF: CHRIST AMBASSADORS MISSION TEAM (CAMT-KENYA CBO):

This is to certify that the above named organization is a well known Christian Based Organization in Kenya. We have engaged the Organization on regular Church Outreach activities especially on humanitarian missions. The group has been very instrumental to our high school students through empowerment programs and introduction of basic need support Initiatives; for example Sanitary towels and pants for girls.

Besides, the team has participated in career guidance and students motivational talks. This has led to improved academic standards and production of quality grades.

We therefore would like to recommend the team for any support in attempt to improve their services to the communities in Kenya.
For any enquiries kindly contact the undersigned.

Sincerely in Christ,

Rev. Dr. Kitheka J Mumo
