Dear Sir/Madam,

RECOMMENDATION FOR CHRIST AMBASSADORS MISSION TEAM (CAMT-KENYA CBO)

This is to confirm that **Mashakatosh Theatre** has worked with Christ Ambassadors Mission Team (**CAMT-KENYA CBO**) since 2013. **Mashakatosh** is an independent organization and is strictly guided by their own policy that ensures **peaceful and harmonious co-existence integrity, responsibility and selflessness**. It's a group comprising committed and visionary focused thespians dealing with theatre works that include scripting/composing theatric items, casting and directing, training of directors, adjudicating theatric items and performing to various audiences with varying objectives appropriate to each given occasion and purpose.

In theatre, **CAMT-KENYA** has organized programs through which children could acquire skills in talents and particularly theatre, drama and music where Mashakatosh theatre has been key facilitator. Many, children and even adults, have been trained in their various genres for scripting, acting, directing, adjudication, dancing, choreography, modeling and filming aspects.

In Promoting harmonious co-existence, inculcating the appreciation of diversity and developing peaceful conflict resolution mechanisms, **CAMT-KENYA** has been one great and conspicuous facilitator in laying the foundation of attitude, love and cohesion. In many forums, Amani clubs in Kenyan schools have relied on **CAMT-KENYA** for provision of relevant speakers who have thrilled the learners in learning institutions with elegant teaching.

I highly recommend this organization for any chances that may help them enhance the canopy of their immaculate mission and vision.

Thanks advance.

Yours sincerely,

Wagetha James M. Njiru

Director - Mashakatosh Theatre

National secretary – Amani clubs
